A New Subdivision in the West End--Another Lee Annex for Big Profits

....COLONIAL PLACE....

The Small map shows location and the larger map shows subdivision of

Colonial Place

When we sold Lee Annex a few years ago we predicted the purchasers of lots would get three dollars for every one invested. Have not our predictions been more than fulfilled?

We now offer you the same opportunity to make money in "Colonial Place" as we offered the original purchasers in Lee Annex.

A small cash payment is all that's required to purchase lots in "Colonial Place." Balance small montly payments. No taxes. No interest until paid for.

Colonial Place is about the same distance from the city boundary as Lee Annex was when we offered it for sale, and is more accessible to the electric car line than Lee Annex is to-day. Richmond is rapidly striding westward. The best and quickest profits are in West End investments. The location of *Colonial Place* is in the very centre of the rapid advance of the West End. For quick profits buy *Colonial Place Lots*.

All streets graded, granolithic sidewalks and shade trees in *Colonial Place*.

Take Broad and Main car going west, transfer at Floyd Avenue and Robinson Streets and get off at Woodlawn Avenue. The sale of these lots will begin Monday, June 6th. For further particulars apply to
